

**CGSAG / TUISE Joint Workshop**

**Data Fusion: Combining Geological, Geophysical and Engineering Data**

**30 -31 October 2009**

**Beijing, China**

The Second Applied Geophysics Workshop will be held at Tsinghua University, Beijing, at the end of October, 2009. The workshop is organized by the Editorial Department of APPLIED GEOPHYSICS of the CGS (CGSAG) and sponsored by the Institute of Seismic Exploration, Tsinghua University (TUISE)

The meeting subject will focus on frontier research, latest achievements of scientific research in the field of applied geophysics, and a major breakthrough of practical application for carrying out exchanges and discussion, include the following aspects:

- Seismic wave propagation theory, physical modeling and numerical simulation;
- Seismic imaging migration and inversion in complex surface conditions;
- Rock physics, borehole geophysics, and reservoir prediction;
- New theories, new methodologies, and geophysics technologies;
- Research progress in related disciplines.

APPLIED GEOPHYSICS is the Journal accepted by The U.S. Institute for Scientific Information (ISI). The purpose of the meeting is to promote geophysical academic exchanges and development using the journal media as an academic platform to advance Chinese geophysical research toward for international standards.

The CGSAG/ TUISE Joint Meeting kindly invites you to contribute to this workshop. We are particularly interested in case studies that showcase successful examples of data fusion, and instances that highlight potential pitfalls, together with any lessons learned.

Please remember that the deadline for submitting an abstract for the workshop is 20 August.

We look forward to your participation!

Best Regards,

The CGSAG/ TUISE Workshop Organizer

## 第二届应用地球物理学学术研讨会

由中国地球物理学会《应用地球物理》英文版编辑部主办、清华大学地震波勘探开发研究所承办的第二届应用地球物理学学术研讨会，将于2009年10月底在北京清华大学召开。

本次会议将以应用地球物理前沿研究、科研最新成果以及实际应用中的重大突破为主题进行交流和讨论，内容包括以下几个方面：

- 地震波传播理论、物理模拟与数值模拟；
- 复杂地表条件下地震偏移成像与反演；
- 岩石物理、测井与储层预测；
- 地球物理勘探（包括重磁电）新理论、新方法与新技术；
- 相关学科的研究进展。中国地球物理学会主办的APPLIED GEOPHYSICS 杂志为SCI收录的一份国际性应用地球物理杂志，通过国际ISI科学共享平台，有81个国家2000万高端读者通过互联网可以直接访问。

会议目的：以APPLIED GEOPHYSICS杂志为平台，促进应用地球物理学学术交流与学科发展，加快中国地球物理事业走向国际。

愿参会人员即日起可提交500-600字的论文摘要与参会回执。提交的论文将是未发表过的并不考虑将在其它地方发表的原创性论文（6000-10000字），论文由评审委评审，评审结果将及时通知作者。凡通过评审且按评审意见进行修改后符合要求的文章，将安排在APPLIED GEOPHYSICS杂志于年内或在线（Online）发表，论文作者将于研讨会上报告交流。论文提交格式请参见APPLIED GEOPHYSICS杂志。论文提交截止时间：2009年8月20日。

本次会议时间一天半，会议差旅费和住宿费自理。

具体开会时间将发布第2号通知， 欢迎参加！
